Dr E. A Brown of Brandenburg Meade County Ky. a regularly graduated and Practising Physician. Makes on Oath. that he has carefully examined Major Thomas B Fairleigh of the 26th Regiment of Kentucky Vols. now at this place. and under treatment by one. and find him incapable of performing the duties of Field Officer for the following reasons. He is just Convalescing from a very dangerous and severe attack of Typhoid fever. which lasted a long time. leaving him very weak and much debilitated. So much so that it would quite seriously endanger his life. a permanently ruin his health to travel to his Regiment, which is now in Alabama. and if there, would be unable to perform duty; nor will he be able with safety to his life and health. to enter upon Camp life. and Military duty before the [redacted] day of [redacted] 62. Supposing there is no relapse now.

He came under my treatment about the 7th day of June 1862 coming here. as I understood from [redacted] Sources. from Pittsburg Landing. Tenn. at the Hospital known as City of Memphis. He had been sick some weeks previous to his arrival here. The disease was contracted from fatigue and exposure. at & after the battle of Shiloh. although not fully developed until a Month or more thereafter.

Having known Wm Twilight from his infancy, and acquainted with his Strength of Constitution: and knowing his present debilitated and weak Condition, the result of his long Severe & protracted illness, being now unable to mount his horse without assistance, and walking over a few hundred yards with difficulty - I earnestly recommend an extension of his leave of absence until 10th day of Oct 1862 believing that he will not be fit for duty before that time, nor able to travel to Camp. without endangering seriously his health or life.

There is no Surgeon attached to the army living in the County or near here at all.

Steinbeigh in discharge of performing the duties of a soldier & officer, for the following reasons. He is sick Convalescing from a very dangerous & severe attack of Typhoid fever, which continued some weeks, leaving him very weak and much debilitated, so much so, that it would endanger his life seriously, or permanently, should he attempt to travel to his Regiment, which is now in the State of Alabama, and if there, would be unable to perform duty, nor can he be able with safety to his life & health, to enter upon duty for life & military duty before the 15th day of Sept — 1862, supposing there should be no relapse of the disease in his case.

He came under the treatment of Dr E. A. Brown about the 7th day of June 1862, arriving here, as I understand from many persons, from Pittsburg Landing, Tennessee, in the Hospital Steamer "City of Memphis."

He had been sick

some weeks previous to his arrival there.
He discharged was Contracted from
fatigue and Exposure at & before the
Battle of Shiloh, altho not fully developed,
until a Month or more thereafter.
Having Known Major Brinkley
from his infancy, and been acquainted
with his Strength of Constitution, and
knowing his present debilitated State
& weak Condition, to be the result of his
long severe & protracted illness, being
now unable to mount his Horse without
assistance, & barely able to walk a
few hundred yards with difficulty.
I Earnestly recommend an extension
of his leave of absence until the 15th
day of Sept. 1862, believing that he
will not be fit for duty before that time,
nor able to travel to Camp without peri=
ously endangering his health or life,
I am the Family Physician of the Majors

Condition.

by the state of my health I am again compelled
for the extension of my leave of absence. As
heretofore stated in my former application my
sickness was Typhoid fever - from the effects of
which I am now recovering, weak and wholly
unable to travel to Camp of my regiment. My
Condition is fully thoroughly stated by me the
Affidavits of Drs. Nicholls & Boyer which are
herewith enclosed. My disease was contracted
at Shiloh, at or after the battle, by reason of the
great exposure & hard labor imposed on me
as Quartermaster of mine

Genl Buell's first leave of absence, dated 11 May 1862 which was
afterwards extended by me to 22 July. inst. &
is now expiring

I regret exceedingly the length
of my absence from Camp and duty but cannot
help it. I am exceedingly desirous to resign my
office - in fact would not be under the circumstances

cannot even mount my horse or ride

From Gen'l Buell in May last I obtained leave of absence "for the benefit of my health". I was then sick and the disease resulted in typhoid fever from which I have been confined to my bed ever since the leave was granted. I am now convalescent but terribly reduced in strength. I cannot walk a step; and have been able to sit up any at all only within the last two days. As a matter of course I am wholly unable to travel to Camp or do any duty whatever.

I ask an extension of my leave until I recover my health & strength. I ask no specified time since the surgeon will know what length of time it will require to render me fit for duty and better than I am anxious to return to Camp & duty but while physically unable my conscience acquits me of any dereliction in duty & I know I will return as soon as I can possibly. I earnestly request an extension of my leave of absence.

Sir:-

Having been confined to my room and bed for the last forty days with Typhoid fever and still so much sick and Exhausted, I am unable to return to Camp or if there to do military duty. In truth I cannot even sit up much less travel.

From my extreme weakness and great debility, it will be some weeks yet before I am able to return to Camp. Under the mean time I wish a further extension of my leave of absence [illegible] to date.

My leave of absence which is not to day was granted by Genl Buell upon the recommendation of the Medical Director of Marine.

I inclose a certificate of my attending 3rd Ky. Cav. who has been my attending Physician.

Sir

I think that, by sending Capt Thomas B Sarlett's C 25th Ky. Vols to Frankfort where the Legislature is now in Session, & represent to that body the fact that a Number of Volunteers, disappointed by the delay in being mustered into the service of the U. S., & thinking they were not yet bound as soldiers, & who have deserted, many of them not intending to commit the crime of desertion, some means would be provided by the State for sending back such men. I submit over the State as they are it would require a number of officers to collect them. The legislature it seems to me could by a resolution make it the duty of Sheriffs to arrest all soldiers sworn into the State service who were absent from their posts without leave.

The passage of such a resolution will bring all back at once who are worth having,

General:-

I have just returned from Lexington and in consequence of being absent did not receive your note of the 17th inst. until this morning.

Your information is wholly incorrect in so much that I have failed to give all the information in my power to any one who came to my office, or inquired of me elsewhere regarding the recruiting of colored Soldiers. The entire force under my command has always been at the service of the Boards of Enrollment and Provost Marshals of the District to aid in enforcing the orders of the Government on the subject and often I have sent squads to the Jail and Work House to release colored persons who

desired to Enlist, and Wished had taken them to give me Possible information.

In no instance have I ordered any one to Leave my Office and I am sure have treated my Customers Courteously towards all who ever such one Officially or otherwise.

It is proper I should, Sir, that in some instances, many very much prized articles have come into my Possession which I did not pay them Enough for at any time, but even this I doubt.

I beg to refer you to Lieut. Rutledge, Lieut. Conroy, Maj. Cadell, Capt. Drummond, Capt. [illegible], Lt. Col. Mac, Lt. Bell, Engineer Staff Lieutenant, Sergt Major Richards, Lieut. Speed &c or any other Union man who had had official transactions with me, for the truth of the Statements.

Capt S. B. Temple A. A. G.,

Captain:—

Your telegram directing that Lt Col. Fairleigh and Lt. Col. Weir report at Louisville by the 4th, inst, was received yesterday. Col. Fairleigh will not be able to reach Louisville before the morning of the 4th, but will be there by that time if possible Col. Harding was duly advised in relation to Col. Weir, and I presume he will report as soon as possible

If not inconsistent with the good of the Service, I would request that Col. Fairleigh be relieved from the Court-martial duty and allowed to return here to command the Post, for in his absence I have no officer really fit for the place. Lt. Col. Ewing is now at Louisville on a military Commission, and when Col. Fairleigh leaves, there will be but one field officer here, Major Mattingly 26th Ky. Vol's, who though a good man and a faithful officer, is, I regret to say, so illiterate as to be unfitted for Post Commander

Besides, if he is taken away from his regiment, it will be left without a field officer. Col. Fairleigh is eminently qualified for Post Commander - indeed for almost any place - and I really think he can do the service ten times more good here than on a Court-martial. You will please pardon me for writing thus, but, Captain, we are badly in need of efficient, qualified, experienced officers not only at this Post, but at every other place in my command. If it can be done properly, I do hope Col. Fairleigh will be returned here in a short time.

Very respectfully,
C. Marshall, Col. 26th Ky. Vol'y,

Washington, May 18th, 1865.

Sir:

In reply to your letter requesting a Descriptive List of William Fulder, a Pvt in Company D, 26 Regiment N.Y. This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Note 1.—This blank will be used for both enlistments and re-enlistments—enlistments of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

Note 2.—An enlistment holds to service. A muster-in must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary of musters, or assistant commissary of musters, is the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

War Department,

Adjutant General's Office,

Washington, [illegible] 22nd, 1865.

Sir:

In reply to your letter requesting a Descriptive List of [illegible] 12th, [illegible] a Private in Company [illegible] 26th Regiment [illegible] Volunteers, I have the honor to furnish the following "Descriptive List" obtained from the records of this Office which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

[illegible] a Private in Company [illegible] 26th Regiment of [illegible] Volunteers, is [illegible] years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the [illegible] day of [illegible], 186[illegible], at the town of [illegible] in the State of [illegible] by [illegible], and mustered into the service of the United States on the 5th day of October, 1864, at the town of Davenport Iowa in the State of Iowa by Capt. C. Hobson, to serve for the period of three years, or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of [illegible] that he was last paid by Paymaster Wm. J. Davis to the 31st day of Dec. 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

One Same Well Suspected Deserter"

Very respectfully,

Your obedient servant,

E. D. Townsend

Assistant Adjutant General.

(7)

To

Lieut. Eli Chase,

Co. C, 26th Regt. Iowa Vol.

Davenport Island, N. W. T.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be returned with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete account of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is that any remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Maj Gen'l Buell,
Commdg of Army &c

Sir

In the official account of my operations
& Battle of the 26th Sept. the Expression that
the Rebels were "routed at the point of bayonet"
appears which does not quite convey my
idea. [redacted] what I meant to say was that
the Rebels after the battle of Wednesday
the 24th instant, abandoned their dead and
wounded & fled from the field, leaving
in my possession the battle ground.
The Cavalry on both
sides did not engage during the action &
were therefore not fighting the battle
fresh upon either side. And being out of
order to pursue the Enemy, I remained the
next day on the field, & marched the Command
at about noon, following the Enemy on the
Perryville & Harrodsburg Road. The Enemy
fighting and delaying their march, from
position to position, but not making
any stand, of any consequence, until
they reached Harrodsburg (about 30 miles
from Perryville) & went into camp.
I encamped in the Camp of the 26th the morning
and Corps not possibly knowing what
I would next undertake. The Enemy
& Circuit was to be made. By this means
I might march around the Enemy's flank,
and get between him & Louisville.
I will remain here until after the battle
of Corinth, & the occupation of it by the Rebel
troops and participate in the fight in
some capacity or other in connection with the
Army corps.

Yours &c &c

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of E. S. Allmutt of Louisville Ky, drafted in 7th Dist Ky Sept 21, 1864, we have strictly observed the Regulations which govern in such cases. FINAL STATEMENT

of

Privt. W. Sprouse

2d Regt of Ky Infty

Co F

VOLUNTEERS.

Due Feb 3. 1865

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should exhibit in full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to enable a complete examination of the account. It will then be transmitted to the Pay Department of the Treasury, who will enter all the data necessary for the adjustment of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of the muster roll, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on the final statements from the fact that the descriptive list is incomplete. Claims accruing for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

In reply to your letter requesting a Descriptive List of [illegible] a [illegible] in Company [illegible] [illegible] Regiment [illegible] Volunteers, I have the honor to furnish the following "Descriptive List" obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

To [illegible]

[illegible]

[illegible]

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing [illegible] and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Mustered Out

War Department,

Adjutant General's Office,

Washington, June 21, 1865.

Sir:

In reply to your letter requesting a Descriptive List of [illegible] Private, Co. [illegible], [illegible] Regiment [illegible] Volunteers, I have the honor to furnish the following "Descriptive List" obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial".

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

[illegible] Private, Co. [illegible] in Company K, 2d Regiment of [illegible] Volunteers, is [illegible] years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the [illegible] day of [illegible], 1862, at the town of [illegible] in the State of [illegible], by Capt. [illegible], and mustered into the service of the United States on the 13 day of Dec., 1862, at the town of Harrisburg, in the State of Pa., by Capt. Davis, to serve for the period of 3 years, or "during the war."

ACCOUNT OF PAY

It is stated on the Muster Roll of the Company for the months of [illegible] that he was last paid by Paymaster [illegible] to the 31 day of Dec., 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

[illegible] Left sick at Hospital [illegible] Due U.S. due Soldier for clothing not drawn from Oct 31st 1864 $15.20 100

Very respectfully,
Your obedient servant,
E. D. Keck

Assistant Adjutant General.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander, and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier has allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to complete a [illegible] account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full [illegible] of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is that the [illegible] payment of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

OF

of Kentucky V

VOLUNTEERS.

Died Nov 29/64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the company or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is entitled to his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to compose a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on the statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
